MBS

ROOFINGS & PRE ENGINEERED BUILDING

Strength in Structure, Elegance in Design

STEEL FABRICATION

Precision Engineered Structural Steel Solutions

Manufacturing High-Quality Structural Steel Components
for Industrial, Commercial & Infrastructure Projects

SINCE 1998 | PRECISION | STRENGTH | QUALITY

MBS

ROOFINGS & PRE ENGINEERED BUILDING

ENGINEERING STEEL STRUCTURES WITH PRECISION

ABOUT STEEL FABRICATION

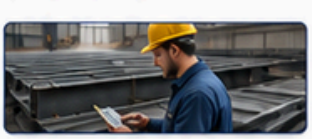

Steel fabrication is the process of cutting, drilling, bending, welding, machining, assembling, and finishing structural steel components that are later erected into complete buildings and industrial structures.

At **MBS**, we manufacture customized steel structures using advanced fabrication techniques, modern machinery, and stringent quality standards to ensure durability, dimensional accuracy, and long service life.

OUR FABRICATION CAPABILITIES

STRUCTURAL STEEL FABRICATION	
HEAVY STEEL STRUCTURES	
INDUSTRIAL BUILDING COMPONENTS	
BUILT-UP SECTIONS	
PLATE FABRICATION	
BOX COLUMNS	
TRUSSES	
PIPE STRUCTURES	
STAIRCASES & PLATFORMS	
MEZZANINE STRUCTURES	

OUR PROCESS

DESIGN	
MATERIAL PROCUREMENT	
CNC CUTTING	
DRILLING & MACHINING	
WELDING	
SURFACE TREATMENT	
PAINTING	
QUALITY INSPECTION	
DELIVERY	

MBS

Steel. Strength. Solutions.

PRECISION ENGINEERED | QUALITY ASSURED | BUILT TO LAST | TRUSTED BY INDUSTRIES

MBS

ROOFINGS & PRE ENGINEERED BUILDING

Strength in Structure, Elegance in Design

PRODUCTS & MANUFACTURING

PRECISION ENGINEERED. QUALITY DELIVERED.

STRUCTURAL PRODUCTS

BUILT-UP COLUMNS

Heavy-duty fabricated steel columns

BUILT-UP RAFTERS

Optimized roof framing members

TRUSSES

Large-span industrial roof trusses

BOX COLUMNS

High-strength fabricated columns

MEZZANINE FLOORS

Industrial elevated platforms

STAIRCASES & WALKWAYS

Safe industrial access systems

PIPE STRUCTURES

Pipe racks and process structures

PLATE FABRICATION

Customized fabricated assemblies

MANUFACTURING FEATURES

CNC PLASMA CUTTING

AUTOMATIC WELDING

PRECISION DRILLING

HIGH ACCURACY FABRICATION

QUALITY INSPECTION

SURFACE PREPARATION

PROTECTIVE PAINTING

READY FOR INSTALLATION

ENGINEERED WITH PRECISION. BUILT FOR PERFORMANCE.

STRONGER STRUCTURES. LASTING RELATIONSHIPS.

ADVANCED TECHNOLOGY SKILLED WORKFORCE

COMMITTED TO QUALITY DELIVERED ON TIME

MBS

ROOFINGS & PRE ENGINEERED BUILDING

Strength in Structure, Elegance in Design

WHY CHOOSE MBS STEEL FABRICATION

Engineering Excellence.
Building Stronger Future.

INDUSTRIES WE SERVE

- MANUFACTURING
- WAREHOUSING
- CEMENT
- POWER
- AUTOMOBILE
- FOOD PROCESSING
- TEXTILE
- PHARMACEUTICAL
- INFRASTRUCTURE
- ENGINEERING

QUALITY ASSURED | ON-TIME DELIVERY | SAFETY FIRST | CUSTOMER FOCUSED

WHY MBS?

- Experienced Engineers
- Precision Fabrication
- Modern Machinery
- Skilled Welders
- Timely Delivery
- Strict Quality Control
- Custom Engineering
- Complete Structural Solutions
- Competitive Pricing
- Reliable Support
